Sunshine Holidays

If you are flying with *Go Faster Airlines* please read this notice before you go to the airport.

Documents

Go Faster Airlines uses an electronic check-in system. You don't have to bring your tickets to the check-in desk, but you have to bring proof of your identity (including your photo), for example a passport, driving licence or identity card. If you are flying to another country, you have to show your passport.

Luggage

With *Go Faster Airlines* you can check in a maximum of 20 kg of luggage to put in the hold. You can take a maximum of 5 kg of hand luggage. You can't put sharp objects in your hand luggage – you have to put them in your checked luggage. Your suitcase has to have a label with your name and address. The label doesn't have to have your flight number because that is on the electronic label.

Electronic devices

You have to turn off all electronic devices before boarding the plane. You can't use your mobile phone inside the plane.
